The northern man is advised to go south to learn gentle courtesy and chivalric bearing. the southerner to go north to add more iron to his blood. There can be no doubt that this constant evolution has encouraged the birth of new ideas, just as the whirling of the kinetoscope developed a toy into our present wonderful moving pictures, which gives us glimpses of life in motion all over the world.-Joe Mitchell Chapple in National Magazine.

### THE HURRYING BARBER.

Speed Manifested More In the Motions Than In the Results. hurry. Just you go into a shop, as I did the other day, wanting a hair cut, and ask the barber how long it will take. He told me, 'Oh, about twenty minutes!' and I said to go ahead. "That barber honestly believed he was hurrying, but he couldn't leave out those little snip-snips about the back of the neck they are all so fond of doing, and he had to cut the hair as if he were chiseling priceless marble.

When it got to be about half an hour

I said to him, 'You're a pretty bad judge of time, aren't you?' He came back with something about not wanting to turn out a poor job. "I've knewn it to happen often in the case of shaving. When you tell a barber to hurry he dashes around on as usual to rub the lather into your face and as much time to shave you. "I begin to believe there is some sort of rule regarding time that all barbers observe, because I have timed them. Once I asked a barber to hurry shaving me, and he had all the motions. when he went along at his usual gait. "I imagine they believe the customer will be satisfied with the appearance
