NATIONAL TOPICS OF INTEREST.

After having worked eighteen years the Democratic majority of the House found it a genuine labor of love to pass

the statehood resolution. In voting for the admission of the territories as States, the House neither indorsed norcondemned the recall of judges. The proposition, again very seriously What the House actually did was to inconsidered by the State officials, to use dorse local self government and the right

work on State and county roads, meets For 60 years New Mexico has been at with the hearty approval of Mr. William the doors of Congress for admission. M. Reinhardt, who says: "It has been Arizona has also long contended its right demonstrated under the Kalamazoo plan to statehood. The 1908 Democratic through the use of prisoners that the platform pledged the "immediate adcost of construction of roads is not one- mission of these territories as separate fourth of the cost where the work is done States." This pledge was carried out by contractors. In Colorado a road before the Democrats had been in coneight miles long has been cut from solid trol of the House three months, which rock by convict labor.
