JULES HAUEL, Esq., the well known perfumer, of Chestnut street, Philadelphia, whose choice products are found at almost every toilet, says: " I am happy to say of your Cathantic Pills, that I have found them a better family medicine for common use, than any other within my knowledge. Many of my friends have realized marked benefits from them and co incide with me in believing that they possess extraordi nary virtues for driving out diseases and curing the sick. They are not only effectual but safe and pleasant to be taken, qualities which must make them valued by the public, when they are known."

The venerable Chancellor WARDLAW, writes from Baltimore, 15th April, 1854 : "Da J. C. Aren-Fir: I have taken your Pills with great benefit, for the listlessness, languor, loss of appetite, and Bilious headache, which has of late years overtaken me in the spring. A few does of your Pills cured me. I have used your Cherry Pectoral many years in my family for coughs and colds with unfailing success. You make medicines which cure, and I feel it a pleasure to commend you for the good you have done and are doing." JOHN F. BEATTY, Esq., Sec. of the Penn. Railroad

" Pa. R. R. Office, Philadelphia, Dec. 13, 1853. In cases of disordered functions of the liver, causing headache, indigestion, costiveness, and the great variety of diseases that follow, they are a surer remedy than any other. In all cases where a purgative remedy is required, I confidently recommend these Pills to the public, as superior to any other I have ever found. They are sure in their operation, and perfectly safe, qualities which make them an invaluable article for public use. have for many years known your Cherry Pectoral as the best Cough medicine in the work!, and these Pills are in no wise inferior to that admirable preparation for the treatment of diseases."

" Acton, Nov. 25, 1853. "Da J. C. " Never until now have I been free from this louthsome disease in some shape. JOEL PRATT, of the ship Marion, writes from Bo-ton, 20th April, 1854: "Your Pitts have cured me from a bilions attack which arose from derangement of the Liver, which had become very serious. I had failed of any relief by my Physician, and from every remedy I could try, but a few doses of your Pills have completely restored me to health. I have given them to my children for worms, with the best effects. They were promptly cured. I recommended them to a friend for costiveness, which had troubled him for months; he told me in a few days they had cured him You make the best medicine in the world, and I am free to say so."

Read this from the distinguished Solicitor of the Supreme Court, whose brilliant abilities have made him well known, not only in this but the neighboring States. " New Orleans, 5th April, 1854. " Sir : I have great satisfaction in assuring you that my self and family have been very much benefited by your medicines. My wife was cured two years since, of r severe and dangerous cough, by your CHERRY PECTORAL, and since then has enjoyed perfect health. My children have several times been cured from attacks of the Influenza and Cronp by it. It is an invaluable remedy for these complaints. Your Cathantic Pills have entirely cured me from a dyspepsia and costiveness, which has grown upon me for some years, - indeed this cure is much more important, from the fart that I had failed to get relie! from the best Physicians which this section of the country affords, and from any of the numerous remedies I had taken.
