Story of the especial personal benefit of association, and it in any case such was the this be so and he is fully conscious of his cle, my pen and myself are all becoming the same period. Story of the especial personal benefit of association, and it in any case such was the this be so and he is fully conscious of his cle, my pen and myself are all becoming the same period. It is the consumption of liar psychological idiosyneracies. I have are not far from being used up. Besides much larger. In 1850 the census of lower office. But the Union asserts the against the coming Christian Convention, that I never try to spoil a neat fit and shall myself been trained at the museuitees we are troubled with scurvy of the museuitees are not far from being the museuitees are not far myself been twice drowned to insensibility; the musquitoes we are troubled with scurvy of and dysentery, and in fact nearly all the ills is now estimated at near 60,000.—CharlesRugby, and once in the Oxford canal. In that flesh is heir to. It would take the InRugby, and once in the Oxford canal. In the oxford canal can be oxford canal can be oxford canal can be oxford canal. In the oxford canal can be oxford can christian associations are open to all. A itor of the Star says further, the Young my way, without some greater obstacle than "I am astonished at your honor's decis- small amount, not more perhaps, than one Men's Christian Association is making rap- placed in my noth. If the rest of the ion!" said a young lawyer to a judge who dollar, in any case will secure to any one id progress among the "plug uglies," "rip- know who I am and madd any one into A Famous Horse.—Cossack, the horse had decreed against him. "This remark the right to go in at any time and read the raps," and "blood tubs." Does the editor let them know that my place of residence being saved from impending death. But I Captain Noland rode when he was killed cannot be permitted," said the judge, "and well selected literary and religious matter of the Star. does any one, with a spark of the let them know that my place of residence and no particular remembrance of anything. had no particular remembrance of anything, at Balaklava, (in the tamous infamous an apology will be necessary on your part." which crowds their libraries and tables.— charity of the Star, does any one, with a spark of the Star, does any one, with either good or bad, which had occurred during my past life. And as I consider myself a fair average specimen of humanity, neiweek. He is a gray Arab stallion, six new in these, and when he has practised tionary, &c. But that there are any secret countenance this Association would affiliate and wall of they are extremely anxious you ther much better nor much worse than my need. He is a gray Arab stallion, six new in these, and when he has practised tionary. &c. But that there are any secret countenance this Association would amulate and, well if they are extremely anxious you neighbors. I am disposed to conclude, from years old, and fourteen hands high. His as long before your honor as I have, he will designs, any forms or ceremonies, any un-with these monsters in crime? No sir, and might say that I can drive a rifle ball into gerous combination in them we must un- sy matter for the editor of the Star to throw the centre of their eye as far as it can be

No sir, if 150 withdrew from so noble a ticle by a simple statement of the design' sphere of christian action 15000 truly zeal- and mode of operations peculiar to these soous men temain in the East, West, North cieties. They are what they profess to be, element of our cities. They are especially
