Everybody Likes This Smart Apron

THIS design was so extremely popular, when it first appeared, that it is repeated now, for those who might have missed it the first time. Of course you can easily see why everybody likes it. Design No. 8824 slips on over the head and ties in a jiffy—no buttons, no troublesome cross-straps. It's nice and slim at the waistline, is guaranteed to stay put on the shoulders, and covers your frock thoroughly, above and below! Send for it right away, because your home work will seem much lighter and pleasanter when you've half a dozen such aprons.

Choose cheery percale prints, gay gingham checks, or colorful polka dot calico, and trim the edges with ric-rac braid. It's so easy—you can finish it in a few hours.

Pattern No. 8824 is designed for sizes 14, 16, 18, 20, 42 and 44. Size 16 requires 2 1/2 yards of 38-inch material without nap; 7 1/2 yards of braid. Send order to:

## Facts of ADVERTISING

ADVERTISING represents the leadership of a nation. It points the way. We merely follow—follow to new heights of comfort, of convenience, of happiness.

As time goes on advertising is used more and more, and as it is used more we all profit more. It's the way advertising has—

of bringing a profit to everybody concerned, the consumer included
