### NEW IDEAS For Home-makers

By RUTH WYETH SPEARS

WOMEN today are not the first to discover a war-time shortage of floor coverings. The glowing Oriental rugs of the Colonial mansion ceased to be imported during the Revolution; and the simple hooked rug made from old clothing began to be developed.

Then, as now, scroll borders around a flower motif were popular. The posies were designed according to individual taste but

scroll patterns went the rounds of neighbors who traced the patterns on the burlap or canvas rug foundation. Today wax crayon is generally used for tracing. You will find it easy to make a cut-out pattern by first ruling paper into one-inch squares and then copying the curves in the sketch.

NOTE: If you wish to make a scroll pattern be sure to clip this diagram and save it as it is not in any of the booklets which Mrs. Spears has prepared for readers; however, Book 2 contains two designs and directions for making original designs. To get a copy, send your order to:

### Kidneys Must Work Well-

For You To Feel Well

24 hours every day, 7 days every week, never stopping, the kidneys filter waste matter from the blood.

If more people were aware of how the kidneys must constantly remove surplus fluid, excess acids and other waste matter that cannot stay in the blood without injury to health, there would be better understanding of why the whole system is upset when kidneys fail to function properly.

Burning, many or too frequent urination sometimes warns that something is wrong. You may suffer nagging back-ache, headaches, dizziness, rheumatic pains, getting up at night, swelling.

Why not try Doan's Pills? You will be using a medicine recommended the country over. Doan's stimulate the function of the kidneys and help them to flush out poisonous waste from the blood. They contain nothing harmful. Get Doan's today. Use with confidence. At all drug stores.
