Household Hints

Porch rockers will not "walk" if a strip of felt is glued on the bottom of each rocker.

A finger cut from an old glove and slipped over the end of a curtain-rod enables it to be pushed through curtain-hems of the finest net without catching and tearing the fabric.

Kerosene will soften boots and shoes that have been hardened by water.

Chamois leather gloves will not dry stiff if, after washing, they are rinsed in warm water to which a teaspoonful of pure olive oil has been added.

A simple way to freshen white washing silk which has become yellow through constant washing is to add milk to the rinsing water and allow it to soak for a few minutes before squeezing out.

Telling time in the Navy is on the 24-hour system. Morning hours are from one to twelve, but afternoon hours are from 1300 to 2400 (midnight). So if you ask a sailor the time and he says "seventeen," subtract 12 and you get five o'clock in the afternoon. It's simpler if you ask him what cigarette he smokes. Chances are he'll say: "Camel," for Camel is the favorite cigarette among Navy men as well as among men in the Army, Marines, Coast Guard. (Based on actual sales records from service men's stores.) Local dealers are featuring Camel cartons as gifts for men in the service from the folks back home.—Adv.

That Nagging Backache

May Warn of Disordered Kidney Action

Modern life with its hurry and worry, irregular habits, improper eating and drinking—its risk of exposure and infection—throws heavy strain on the work of the kidneys. They are apt to become over-taxed and fail to filter excess acid and other impurities from the life-giving blood.

You may suffer nagging backache, headache, dizziness, getting up nights, leg pains, swelling—feel constantly tired, nervous, all worn out. Other signs of kidney or bladder disorder are sometimes burning, scanty or too frequent urination.

Try Doan's Pills. Doan's help the kidneys to pass off harmful excess body waste. They have had more than half a century of public approval. Are recommended by grateful users everywhere. Ask your neighbor!
