SATURDAY, DECEMBER 7, 1907.

letters of condolence since our last the rabbit yard of a resident. This issue and we extend our heartfelt thanks to the writers. Such phrases entire force. as: "He was a good friend of mine," "A friend of my brother's," "A kind parent," "One of the best magistrates in the State of Maryland,'

etc., etc., are very pleasing to us.

A magazine writer has discovered | side in that city declares that the that Wall Street is a necessity. real poverty in life is the lack of Perhaps this is true, as it is quite | children in a home and the happilikely that without it we would not ness they bring. It is ideas like this be likely to realize the truth of the | that make life, after all, worth livpromise that we shall always have ing. It is not always by theory, the poor with us.

-----A thousand bills were introduced in the Senate in one day. If all of them are to be discussed, that august body will be drowned in the flood of its own eloquence, and the Congressional Record will have to adopt modern newspaper methods to the extent of getting out every-hour extra editions.

took practical notice of the impor- which the volume of currency may tant fact that though the unwritten be promptly expanded when and law is indefensible both in law and where there is need of it and ethics, its popularity is largely owing promptly diminished when that need to the fact that it makes the law- is past. It is fundamental that the breaker pay the petalty, and pays | safeguards against inflation must be more attention to facts than to absolutely effective. The retirement technicalities. In other words, it is of emergency issues must be an ugly growth which can exist in a merely compulsory, but automatic, community only because of culpable so that the most powerful and

change in the tariff. Mr. Roose- amination. velt wants tariff action deferred. The Chicago platform advocates an income tax, and so does Mr. Roosevelt. The Chicago platform advocated legislation for the bitration of labor disputes. So es the President. The Chicago form favored stricter Federal ontrol of trusts and railroads and the enlargement of the power of the Interstate Commerce Commission. Mr. Roosevelt makes the same recommendation. The Chicago platform objects to government by injunction, and Mr. Roosevelt suggests the restriction of the power of the court to issue restraining orders; and finally both the platform and the message advocate the improvement of inland waterways in terms of similar mean-

----The acquittal of Mrs. Bradley by a Washington jury for the murder of Senator Brown, of Utah, probably all expected after she had testified upon the stand. When the community enforces, as it should, all the various laws and penalties under the common and statute law against To the Road Supervisors of Queen the masculine license which preceded this murder, such acquittals - will not come. Until public opinion does this, and does not leave to said county without a special order there-slumber in Washington, Kansas and said county. elsewhere whole pages of the statute By order of the Board of Commisssion book those quadlers will come and ers. MADISON B. BORDLEY, book, these murders will come and ers. be followed by the unanimous acquittal of juries in the teeth of the law, the judge's charge and the

Mrs. Bradley was legally a murderess. In England, where public the public that the bridge on the road from Church Hill to Crumpton, at Pinopinion treats as of no consequence der's Hill, is not safe for travel, and all the various offenses which bring persons crossing same do so at their own tragedies like this, she would have By order of the Board of County Comhad no chance of acquittal. For missioners for Queen Anne's County.

MADISON B. BORDLEY, better or for worse, sometimes with n30 one result and sometimes the other. in this country public opinion, often fitfully and always partially, holds ALL PAPERS FEEL ALIKE TO that certain flagrant breaches of trust and confidence make of a man a "wolf's head," whose killing no

jury will hold to be murder. The simple remedy lies not in more convictions for the violations of the Sixth Commandment, but a more drastic enforcement of the Seventh. If the laws under the latter are enforced the laws under the former will not be brought to

It is reported that army officers are alarmed over a report that a more severe test than even the late horseback one is to be given. Visions of a leap through hanging hoops, with steeds going at full speed, or executing toe dances on a bareback basis are looming up and throwing dignified and heavyweight officers intospasms of apprehension.

The experiment of adding dogs to the police force, tried in New Jersey, ertising rates furnished upon application is not wholly successful. One canine member of the police force of a town there is already under charges of conduct unbecoming a police dog in We have received a number of collecting secret midnight graft from early realization of opportunities for graft is shedding suspicion on the

> In the discussion following the utterance of a social theorist in New York to the effect that the President is wrong in his views of race suicide and that large families add to poverty and ills, a poor woman of the East particularly of the cold-blooded kind, that the real philosophers of the world are discovered.

Bank Act and a change of system volved in the creation of a central bank, are out of the question during If progress is to be made, the effort and the discussion must be strictly limited to meeting the present need It is time that the written law | -that is, to provide a method by neglect on the part of the law itself. general form of compulsion, imperative self-interest, will operate to call In the 30,000 words message of them in. It is fundamental, too, President Roosevelt which was sent | that there shall be no more question to Congress Tuesday, there is a of the security behind the notes noticeable parallel between policies | than there is of the security behind

he advances and those laid down in the national banknotes. It is one of the Chicago platform of the Demo- the virtues of the present system cratic party in 1896, upon which that every kind of circulating note, Mr. Bryan was first nominated. In- national or national bank, is "good." stead of the free coinage of silver, Principles are best grasped and Mr. Roosevelt recommends an elastic | most clearly understood when apasset paper currency. But the other | plied to concrete examples. The important planks of the Chicago education of the country and of its platform are all in Mr. Roosevelt's financiers will not begin, therefore, The Chicago platform until a bill has been introduced and was opposed to an immediate shall be subjected to the test of ex-

FOLEYS KIDNEY CURE

FOLEY'S HONEYAND TAR

Gures Golds; Prevents Pneumonia

J. S. DENNY and WYE MILLS DRUG STORE

When the Kidneys fail to perform their functions properly by not straining out the poisonous waste matter from the blood as it passes through them, the poisons are carried by the circulation to every part of the body, deranging the different organs. This causes heart trouble, stomach trouble, sluggish liver and a host of other ills, all due to deranged Kidneys.

FOLEYSKIDNEYCURE

corrects irregularities and cures Kidney and Bladder diseases in every form, tones up the CURED OF BRIGHT'S DISEASE.

thole system, and the diseases that have sulted from disordered Kidneys disappear, cause the cause has been removed. Comence taking FOLEY'S KIDNEY CURE the first sign of danger. Do not risk g Bright's Disease or Diabetes.
