We are very proud of our enterprise and its Now Sells for 1 Cent, and can be almost miraculous growth under the circumstances and, although the prospects for the future look dark for even so persistent an enterprise as ours, it does not mar our happiness and gratitude for the past twenty-five years.

We know the establishment THE NEWS was not due to any encouragement promised by the citizens of this town and, its existence is not due to the citizens of this town and what should we fear from the death of this town or its citizens? Instead of encouraging this enterprise, many of them have even forbade The News to enter their homes while others receive it for years without offering to pay a cent Whenever they wanted any advertising and printing they have sent the work elsewhere.

The former Queen Anne's Railroad has been one of our greatest benefactors. Until its establishment here, we only had one cylinder press, the broker in touch with the markets of one job press and a small outfit printing material. On receiving portant points in the United States and some of its patronage, we installed three up-to-date job presses, paper cutter, stapling machine for binding books, perforator, hand and power numbering machines, sterotyping outfit, with all necessary type (wood and metal), rule, cuts, borders, etc., until now, we are told by men who are in a position to know, that we have one of the best and most up-todate offices on the peninsula. Makes Kidneys and Bladder Right

Cures Colds; Prevents Pneumonia

J. S. DENNY and WYE MILLS DRUG STORE

When the Kidneys fail to perform their functions properly by not straining out the poisonous waste matter from the blood as it passes through them, the poisons are carried by the circulation to every part of the body, deranging the different organs. This causes heart trouble, stomach trouble, sluggish liver and a host of other ills, all due to deranged Kidneys.

FOLEY'S KIDNEY CURE

corrects irregularities and cures Kidney and Bladder diseases in every form, tones up the CURED OF BRIGHT'S DISEASE. Mr. Robert G. Burke, Elnora, Saratoga Co., N. Y., writes:—I am glad to have an opportunity of telling what magnificent results I have had from using FOLEY'S KIDNEY CURE after having tried other advertised medicines and several physicians. Before I began it I had to get up from 12 to 20 times each night to relieve my bladder. I was all bloated up with dropsy and my eyesight was so impaired that I could scarcely see one of my family across the room. In fact, I was so badly used up that I had given up hope of living when I was urged by a friend to try FOLEY'S KIDNEY CURE. One 50-cent bottle worked won-

Every few days some one comes from miles away to learn the name of the wonderful medicine that cured me of Bright's Disease, and not one that has tried it has failed to be benefitted.
