Reliable Information

All American women know of the great success of Lydia E. Pinkham's Vegetable Compound in restoring to health women who suffered from ailments beculiar to their sex, yet there are some who are skeptical and do not realize that all that is claimed for it is absolutely true—if they did, our laboratory would not be half large enough to supply the demand, though today it is the largest in the country used for the manufacture of one particular medicine.

The Facts contained in the following two letters should prove of benefit to many women: Buffalo, N. Y .- "I suffered with | Sacramento, Calif.-" I had orwalk or go up or down stairs. I was touch my side. I gave up my work going to a doctor without any re- thinking I would not be able to go sults and he said the safest thing back for months. My mother ad-would be to have an operation. I vised me to take Lydia E. Pinkham's
