Shoo, shoo, get home, you plaguey crit-Babcock stole around to Miss Letitia's and ter!" cried Mr. Babcock, waving his arms. which had committed the trespass. He would have done it without asking leave, It was a wood fence, and when he had suconly that thrifty Miss Letitia always shut side of it he lifted it from the reclining posi-tion and propped it up with stakes. This tion and propped it up with stakes. This was an operation he had found himself obliged to repeat many times in the course where the cows were confined, and trying to negotiate with Miss Letitia for the release of this dust any longer." Bridget—"Do as I do, of the season, and not only of that season, but of several previous seasons.

the heifer, along came Mr. Small in quest of his brindle. The two men stared at each but of several previous seasons.

the heifer, along came Mr. Small in quest of his brindle. The two men stared at each but of several previous seasons. Yet Mr. Babcock was neither slack nor thriftless; in fact, he rather prided bimself other in blank dismay, then hung their heads in confusion.

Mr. Small, and three generations of men who cumstance did not alter the case? It was __"My dear girl," said a fond father to his owned these estates had been unable to decide to whom it belonged to rebuild and keep it in repair. If the owners had chanced to be men of peaceful dispositions, they would have compromised the matter and whole town?

—"My dear girl," said a fond father to his daughter, "surely you're not going to take all those trunks to Saratoga with you?" "Yes, papa, every one, and they are few enough." "But what in the world have you in 'em?"—

"But what in the world have you in 'em?"—

"Bait, papa," said the dear girl brightly." would have compromised the matter and avoided a quarrel; but if, on the contrary, they belonged to that much larger class who into it," said Miss Letitia, who read what was gave this little speech to the audience would sooner sacrifice their own comfort and convenience than their so-called rights, and convenience than their so-called rights,

And of this class were the present owners.

Again and again they had consulted their respective lawyers on the subject and dragged from their hiding places many old deeds and records, but always with the same result.

"What is that?" Both thought the question, but did not ask it.

"The condition is that you promise to put a good new fence in place of the old one that bird has no tail to speak of." The next day separates your estates, dividing the costs be-tween you, that henceforth you will live to-of the bird, and a little German girl wound "Yes," muttered both, in a voice scarcely
