One which is sure to restore perhis own interests, he will scarcely call that a blessing which takes money out of his neapolis, and it is said there the price will pocket and gives him nothing in return. It reach \$10 a barrel. is true the present schedule imposes a tariff of 20 cents a bushel on wheat imported into

this country. The farmer derives no benfit from this tariff, however, for the only wheat imported is seed wheat, which costs our farmers just 20 cents more a bushel than it ought to cost, Ezekiel Cole, of Havre de Grace. because of the tariff. This is, perhaps, a -Mr. Horace Stokes has been commission blessing in disguise, for no sensible farmer ed postmaster at Stafford, Harford county, Md. can distinctly see how it helps his interests. -Mr. James M. Magness, on Mr. John Saw-This is the extent which the farmer is "pro- yer's farm, near Emmorton, has raised tected" in the products of his toil and indus- tomato which weighs 121/2 ounces.

he gets another view of protection. The high tariff enables home manufacturers to increase the price of their wares nearly up to the point which imported articles, after the duty is paid, would cost, and the farmer must therefore add the duty and more to the cost of everything he buys for his house or his barn.

Thus the farmer must pay the tariff tax on

manufacturer on his carpets, his oil-cloth, to the acre. Nearly all of them were saleable his china and glass ware, his stoves and tin potaces.

garments of his wife and daughters, he is and all in the sacred name of "Protection

This is protection, it is true, but it is not could not be relieved. protection for the farmer. He derives no everything upon which a tariff tax is laid, Friends' Meeting House, at Darlington, being and because more breadstuffs are raised than turned out to pasture, had its leg broken. can be consumed in this country the farmer Taylor had to kill the animal. must send his surplus across the ocean, to be sold in the cheapest grain market in the some reception at their residence, in Towson-

factured articles on the face of the earth. This is the sort of protection General Har- the city. rison promises to farmers. Perhaps they can be deceived into believing that they may be benefited by paying a high tariff on what they buy; perhaps they may not.

____ -Mr. Richard Vaux, an old and experiencsurvey of the political situation, gives it as nic, at Sykesville Md., October 9th. Hon. V his deliberate opinion that the Democrats P. C. Breckenridge, Hon. J. C. S. Blackburn, will carry New Jersey by 3,000 plurality; Senator Gorman and others will be among the that they have more than a reasonable chance | speakers. of carrying Minnesota and Michigan.
