### Amount of Exercise Required.

Dr. Parkes has calculated that the amount of exercise a man in health should take regularly is equal to walking nine miles a day upon level ground. The amount of walking done in walking about the house and other domestic duties may probably be put down as three miles, which will leave a walk of six miles per diem on articles of surrender, and presented to Gen. | level ground. If the ground is hilly, this will be still more reduced, so that it certainly does not seem an excessive amount to advise. The proper quantity must, however, vary greatly CLOTHING FOR EVERYBODY be taken than in summer. In youth, when the Boys and Children of all ages, cised in its turn. Hence the free use of gyr nastics, games and sports at this age is most beneficial. In advanced life the power and inclination for exercise both fail, but even then Field glasses used by Gen. Grant during the every effort should be made to prevail upon the individual to take some amount of exercise, and to postpone the evil day when he will become completely bedridden. Such an amount of exercise is in all cases necessary as will keep the muscles in good health, and enable them Gold-headed cane made out of wood from old | meet the physical requirements of the rest of the

THE fact in the curious prayer case which he been frequently mentioned as before the Si preme Court of Kansas is that, when a jury re tired to deliberate upon its verdict, one of t jurors proposed that their deliberations should be opened with prayer, and, with the consent of his associates, he led them in supplication God for divine guidance in making up their judgment upon the matter submitted to them. The counsel for the beaten party moved to have the verdict set aside on the ground of "undu influence exercised by one of the jurymen b Shoulder straps (Brigadier-General's), worn | means of public prayer in the jury room." The Magenta was a very fine new steamer built of steel according to Lloyd's rules, wel work for which she was built, viz., cable repair As the papers and smaller articles were ing, being, we believe, the last addition to th

THE United States produces her own breadstuffs, apples, etc., and a large surplus for exportation. It would seem, with so much grain, vegetables and all the appliances we have for raising poultry, we ought to produce eggs enough for our own consumption. But such is not the case. We are receiving eggs from China, Germany, Denmark, Canada, England, The Norway, Sweden, Mexico and some other countries. We have no means at hand of giving the number imported last year, but during the year ending June 30th, 1883, the total number was 15,279,065 dozens. There is an increasing demand for eggs and poultry in the United States, but there is not the first reason why we may not supply the demand as well as that of corn and flour. Better produce our own eggs

## AYER'S PILLS.

A large proportion of the diseases which cause human suffering result from derangement of the stomach, bowels, and liver. AYER'S CATHARTIC PILLS act directly upor these organs, and are especially designed to cure the diseases caused by their derangement, including Constipation, Indigestion, Dyspepsia, Headache, Dysentery, and a host of other ailments, for all of which they are a safe, sure, prompt, and pleasant remedy. The extensive use of these PILLS by eminent physicians in regular practice, shows unmistakably the estimation in which they are held by the medical profes-

These PILLs are compounded of vegetable substances only, and are absolutely free from calomel or any other injurious ingredient.

A Sufferer from Headache writes: "AYER'S PILLS are invaluable to me, and are my constant companion. I have been a severe sufferer from Headache, and your Pills are the only thing I could look to for relief. One dose will quickly move my bowels and free my head from pain. They I have ever found. It is a pleasure to me to speak in their praise, and I always do so when occasion offers.

W. L. PAGE, of W. L. Page & Bro."
Franklin St., Richmond, Va., June 3, 1882. "I have used AVER'S PILLS in number-less instances as recommended by you, and have never known them to fail to accomplish the desired result. We constantly keep them on hand at our home, and prize them as a pleasant, safe, and reliable family medicine FOR DYSPEPSIA they are invaluable.

Mexia, Texas, June 17, 1882. The REV. FRANCIS B. HARLOWE, writing from Atlanta, Ga., says: "For some years past I have been subject to constipation, from which, in spite of the use of medibegan taking AYER'S PILLS. They have entirely corrected the costive habit, and have vastly improved my general health." AYER'S CATHARTIC PILLS correct irregularities of the bowels, stimulate the appetite and digestion, and by their prompt and thorough action give tone and vigor to the whole physical economy.
