VOL. XXIV-NO.

No other medicine known so effectually purges
to blood of deep-seated diseases.

Millions bear testimony to its wonderful
trative effects. form the native herbs and roots of California, the ient recovers his health. ving Principle; a Gentle Purgative and Tonic; a Never before in the history of the world has a medicine been compounded possessing the power of Vinegar Bittens in healing the sick of every disease man is seir to.

perties of VINEGAR BITTERS exceed those ones are not destroyed by mineral poison or other neans, and the vital organs wasted beyond the point vers are prevalent throughout the United Autumu, especially during seasons of unusual heat

These Fevers are invariably accompanied by extensive derangements of the stomach, liver and bowels. In their treatment, a pargative, exerting a powerful influence upon these organs, is absolutely to Dr. J. WALKER'S VINEGAR BITTERS, as it will which the bowels are loaded, at the same time stimu-lating the secretions of the liver, and generally restoring the healthy functions of the digestive Fortify the body against disease by purifying all its fluids with VINEGAR BITTERS. No epidemic can take hold of a system thus forearmed.

It Invigorates the Stomach and stimulates the torpid Liver and Bowels, cleansing the blood of all invitations. blood of all impurities, imparting life and vigor to the frame, and carrying off without the aid of Calomel, or other minerals, all poisonous matter from the system. It is easy of administration, Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Pheumonia, Dizziness, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, and a hundred other painful symptoms, are at once relieved by Vinegar Bitters. For Inflammatory and Chronic Rheumatism, Gout, Neuralgia, Diseases of the Blood, Liver,
Kidneys and Bladder, the Bitters have no equal.
In these, as in all constitutional Diseases, Walker's
Vinzgar Bitters has shown its great curative
powers in the most obstinate and intractable

HOW FAME IS ACHIEVED. omething New in the Theatrical Fain ing Line-Fame from a Fall.

[Blakely Hall in the Argonaut.] Some years ago Sara Bernhardt, a woman of genius, created an original fall when sh fainted in "Fedora." From the year 1600 down to Sara Bernhardt's time, emotions actresses had invariably fainted by staggerfiercely, yelling "My Gawd! this is t'much turning half way round, and falling wi In "Fedora," Bernhardt gasped, fell half way against a sofa, and tumbled headlong to the floor. The audience caught its breath, sprang to its feet, and shouted its applause Something new had been accomplished the stage.

Mrs. Bernard-Beere, a woman of ente prise, went over to Paris, saw Barnhardt fall, returned to London, played "Fedora, fell on the sofa at full length, and rolle over with her head toward the audience and flopped flat on her back on the floor. "Gad," said the English audience the fol lowing morning, "'Fedora' is a great play. You ought to see Bernard Beere fall. 'Pon

me soul, it's great!" Fanny Davenport a woman of avoirdupois, went to Paris returned to America via London, played "Fedora" in America fell across the sofa, rolled over, and made \$60,000 the first year. All America talked of Davenport's fainting scene in "Fedora." Mr. Langtry, a woman of beauty, fainted away in "A Wife's Peril" by falling side wise on a sofa, hanging there for a moment and then falling to the stage. Her corsage was low. Her bust superb. A "Wile's

Margaret Mather, a woman of persistence appeared as Juliet at the Union Square theater, fainted away in the balcony scene, and rolled down three steps like an acrobat and fell on the stage with a resounding There were five recalls, loud cries of "bravo," modest cries of "bravaw." a waving of handkerchiefs, and then the first nighters rushed out into an adjoining caf slapped each other on the shoulders, and said: "She's the most wonderful Juliet since Adelaide Neilson."

stood by, said that the next woman who fortune at a single plunge by falling off a to the extent of \$90.000.

A Dog Revolution. [New York Sun.] One of the clerks at the Win isor hotel r marked, as he stood at the main entrance carelessly toying with his mustache, that the fashion in dogs had changed. Irish setter, who prevailed to such a large voted exclusively to those delicious but dy tail coat, and being led by a big, bronzeeyed Irish setter. appears to be ignorant of the change. If his attention is called thereto he is apt a first to be incredulous, and if subsequen convinced, to feel a little resentful.

IMPROVEMENTS IN TRAVEL. Immediately on arriving at the landing stage at Liverpool the traveler meets wit Officials of the two direct routes London will forward baggage to any destination, and the owner is spared all the old-time trouble of seeing it properly la- portion of the city would be a blessing, arrival at the end of his journey. This im-New York to any address in London, and vice versa. For many years the English railroad managers opposed vigorously all was impracticable, unsafe, and dilatory. Even now, although the system is found to continent and to Liverpool, the others genmore enteprising routes.

"Trams," or street cars, which George Francis Train so unfortunately attempte to introduce about twenty-five years ago, are now running in nearly all the suburt though they are still excluded from the city and west end streets. Another recent improvement in English travel is the construction which congress sits is a gloomy old pile, a harp is 15 cents and the highest \$2. The you tech a lighted match to a heap of railroad cars are run, and passengers and great empire like Brazil ought to be and the tongue is of finer steel. The frame, hoss-barn wid its flery tongues! [Decided freight transferred between the south coast and the isle of Wight.

LITERATURE AND ART. Should the American, before taking his seat in the train, visit the railway bookstall, he will find many familiar names. The latest humorous productions of Bret Harte, Mark Twain, R. J. Burdette, and | ment on the regular staff. Max Adler will be offered him, while if his taste should run to fiction he will see cheap editions of Howells, James, and other wellknown American authors. One publishing firm issues a cheap library, called "The Illustrated Merry Folks," which has already | daudified dress. reached eighty-one numbers, and consists exclusively of the writings of Americans. The beauty of the new style of wood-engraving brought to such perfection by the American magazines is universally recog nized in England, and is receiving the "sin cerest flattery" of imitation. Harper's Magazine, The Century, St. Nicholas, and The Atlantic are now extensively advertised and sold throughout the United Kingdon Lithographic "printing" for theatrical advertising has been brought to such great perfection in the United States that English managers are now largely importing it Two of the principal American firms now have agencies in London, and one in less

came forward would achieve fame and than six months is said to have taken orders IN THE SHOP WINDOWS. The scrutinizer of shop widows will require very little time to be convinced of t vast increase that has occurred in the las few years in the importation of Americ goods. Perhaps this is most noticeable groceries. Chicago canned beef and tongu "I usually stand here between 11 and 12 land lobsters, and New York, Philadelph and Baltimore tomatoes, corn, peaches and pine-apples in tin, are stacked up in th windows in the most attractive manner. Nearly all these groceries deal in American drugs; but the allegation has been proved unfounded, and now nearly every tobacconist offers the principal brands at exactly double the New York retail prices. the majority, while the abstainer may reon London is particularly marked. Five them pointedly. They rarely change their of goods are usually made with silver-tipped If I should sot down wid Trustee Pullback.

most likely to drift "liquid ward." His eyes sign, "American Drinks," which attracts out extra charge, though the bar-mai never thinks of putting ice even in a lemon ade unless specially requested to do so. Several shops are devoted exclusively clocks of all kinds and innumerable has stoves, etc. One large shop of this kind is Gracechurch street. Several "American 6 store," are also to be found in cheaper "TICKER" AND TYPE WRITER.

generally as in New York. The type and selling type-writing machines. Two of the largest of the New York life by carrying around with him a tongue in a bottle of alcohol, which a label on the bottle insurance companies now have branches in employment of American capital in England is fully offset by the recent formation in London of numerous companies for cattle raising in the western states. Evidence of sir! the vast extent of the importation of Ameritens of hay they pitched when they were can beef are to be found in almost every But no record, however brief, of the i lieve human labor.
