# IT'S NEW! STEP OUT WITH GASOLINE

HERE'S an amazing new motor fuel! It protects as it powers your modern motor... not gas alone... not oil alone, but **GASOLINE!**

Fast-flying, precision-fitted, upper motor parts in today's motors require constant lubrication. Without this lubrication, destructive friction steals power and wears down your motor. **GASOLINE** supplies this constant lubrication. It takes the place of old-fashioned gasoline and top-cylinder oil.

**GASOLINE** is a perfectly balanced blend of maximum hi-test Tydol gas and a new, improved, heat-proof oil. Get a full tankful. Do this today and pay only the very same price you now pay for old-fashioned gas.
