THE GREAT

A Sure Preventative of CHOLER ..

THIS WONDERFUL REMEDY was dis-I covered and introduced some 20 years tro by Pr & Cheopsus, an emment Egyptian Physician. He had long seen and felt the want of some remedy which would strike at the root of di ease and so prevent much of the suffering

mind every day in vivid colors as he moved among the sick and dying, and observed the mefficiency of nearly all the remedies then in use. Thus he was led to think and experiment; and after ten years of study and labor, he presented to his fellow-man the wonderful Zingari Bitters. The effect of this preparation in the prevention and cure of disease, was so marvellous and astonishfavor were hestowed upon him who discovgoo ) o | ered it. His name was placed upon the roll of Nobles, and a gold medal with the followc) ing inscript on-Dr.S. Cheopsus, the Public Benefactor-was presented to him by the

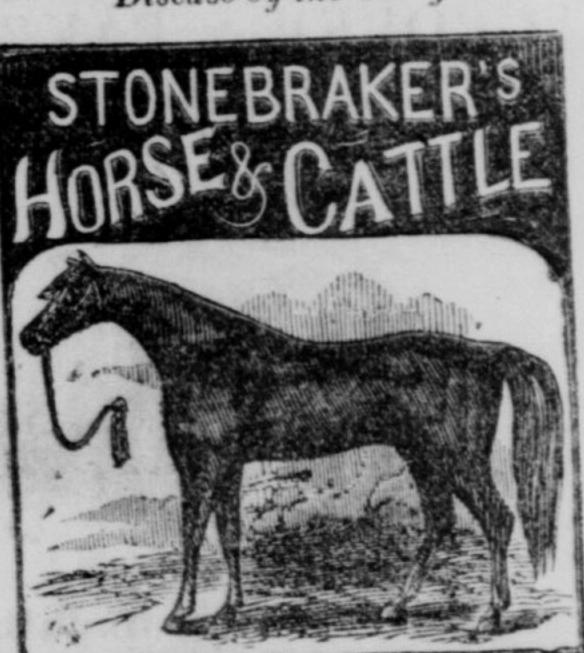

The preparation has been used in several success, that it has been introduced into

The old saying that an ounce of preven-

All pathologists now agree that the cholera poison acts on the system through the blood, and that any combination that sets on the secretary organs, and keeps them in working order, must prevent a sufficient accomulation of the poison to exert as terrible effects on the organism. This is true not only of cholera, but of nearly all other maiadies, especially the different forms of fevers. The Zingari Bitters is just such a remedy as the above conditions require. It acts on the organs of excretion and secretion, keeping up a perfect balance between them .-This bitters is composed entirely of roots and herbs, so nicely concocted that every organ is acted upon and put in tone. I taste is pleasant and its effects prompt and

Numerous cases of the following diseases have been cured by it: Cholera, Diairhoea,
