BARTLETT HARDWARE CO., CENTREVILLE, MARYLAND.

DEAR MR. BARTLETT:

I am sorry that I will not be able to attend the opening of TOYLAND in Centreville this coming Saturday. I have such a big load of gifts that I will have to bring them in an airplane. We have had so much snow and ice up here at the North Pole that I will have to postpone my trip to Centreville until Saturday, Decembre 12th. So as not to disappoint all your little boys and girls I am sending one of my helpers to your store and he will arrive at 2:00 o'clock this Saturday afternoon. Tell the kids to give their lists to my helper and he will give them to me when I arrive the following Saturday. I hope all the boys and girls will be at Signed-SANTA CLAUS. your store to meet my helper when he gets there.
