SAFETY

CONFIDENCE

We started selling trade-in cars in this vicinity in 1919. From then until now our chief pride has been in the volume of repeat business we do. When you can sell and re-sell to the same customers to the tune of 500 cars a year, you can be certain that the value and service you give are more than Satisfactory.

New acquaintances can get a good idea of our used car values by watching for them in the columns of The Record-Observer. Our used cars are Reconditioned and Guaranteed and carry the R & G Certificate, your further assurance of value.

Our services to customers include a Finance Department where transactions are made to fit the customer's convenience . . . our own paint, body and mechanical shops, which employ 30 people, are ready for service for every need of your car.

These services, plus a policy of fair dealing and keeping customers satisfied, are the foundation of our business success.
