MARY-The New York World's Fair is the greatest spectacle I've ever seen! Spent a grand week in New York and stayed at the Hotel St. George, Brooklyn, N.Y. It's convenient to everything and only 25 minutes from the Fair. Ruth and I paid only \$1.75 daily each for our breezy double room in their 30-story fireproof Club Tower overlooking the harbor. We enjoyed free: the beautiful salt water swimming pool, sun decks and danced free on their breath-taking Skyline Terrace. You must see The Fair and you must stop at the St. George. If you'll write to Jim Kay at the hotel he'll send you a swell road map free.
