THIS IS a continuation

of a series of advertisements, started last December, which are designed to show the relation of the distilling industry to other industries and to the general economic welfare of the State of Maryland. The purposes of the Associatillers and Allied Indusabout a better and more sympathetic understanding of the distilling industry as a major contributor to the tax resources and the economic welfare of the State of Maryland. 2. To weld more closely the common interests of the distilling and allied industries, the laborer and the farmer. 3. To oppose confiscatory and discriminatory taxes in any field. 4. To contribute to public education for the temperate and moderate use of alcoholic beverages. 5. To cooperate in any movement backed by recognized civic or social groups for the elimination of undesirable methods and practices in the dispensation of alcoholic beverages. This new series of advertisements will show how the Association is seeking to carry out these objectives.
