What Is It?

THE METHODIST, of New York, although bearing a lenominational name, is acceptable to all lovers of earn-Many, many people suffer from they know not what. They are not sick-they are not well. There is no name for it. It is simply weakness-a breaking down of the vital torces. Whatever its causes, (and they are innum tite, loss of flesh, and great mental depression. Indigesion and a stomach cough are also frequently concomitants of this distressing state of body and of mind. The common remark in relation to persons in such a condition is, that they are consumptive. Now, what these unfortunates really want is vigor, vital strength; and as cer-44,299,651 08 tainly as dawn succeeds darkness, they can recuperate their systems and regain perfect health by resorting to Hostetter's Celebrated Stomach Bitters.
