LOCAL MATTERS. WEDNESDAY, May 3, 1871.

Our friends throughout the county are earnestly requested to furnish us with all items of local interest.

THE SINGER SEWING MACHINE.—This well known and popular machine is still justly a favorite with the people.

Editor has used one for a twelve-month and his largest half declares it invaluable.

TESTIMONIAL.—Passed by the Grand Inquest of the State, for the body of Dorchester County, at the close of their session, April 29th, 1871.

Resolved, That a vote of thanks be tendered our most worthy foreman for the able and dignified manner, and the dispatch with which he has performed the arduous duties of this body, thereby saving much expense to the already overburdened tax payers of our County; that our kind wishes attend him for his future welfare and prosperity.

Also, Resolved, That a copy of this resolution be published in the Democrat and News, and Chronicle.

W. W. Byrn, Esq.

We were sorry to learn on Saturday last, that Charles W. Bennett, the popular proprietor of The Dorchester House, had made final arrangements with J. C. Norris, of Easton, to take The Brick Hotel at that place, and would remove on Monday at his new residence.

Mr. Bennett came to our town some ten or twelve years ago, a stranger, but from his enterprising character, his excellent management and obliging disposition and manners, he introduced a new era in the hotel business in our town, and has made hosts of friends who will regret his departure.

Mr. Bennett will continue to conduct the "Dorchester House," in the name of Bennett Brothers.

No one wishing to purchase Spring Goods of the latest styles, selected with taste and remarkable for combining quality and beauty with cheapness, should fail to examine the stocks of J. S. Simmons and Thomas W. Anderson & Son, on Main Street.

SODA FOUNTAIN.—A handsome Marble Soda Fountain has been imported by Mr. Wm. Thomas, and will add to the attractiveness of our town during the summer season.

WHAT'S THE USE.—Why pay more than is necessary? The goods are just as fine, the work just as carefully done, the fit just as perfect, and the prices many per cent, lower. Then, why not buy of Wauanaker & Brown.

The Rev. Mr. Williams has arrived in our midst and taken charge of the M. E. Church in this town. He has made a most favorable impression in his new field of duty and his friends, like the subscribers to our paper, are increasing daily.

Owing to crowded advertising columns and other circumstances, we are compelled to omit our report of Court proceedings, but they shall appear in our next issue.

MUTILATED CURRENCY.—A Tennessee Postmaster has enclosed to the United States Treasurer a slip cut from a recent North Carolina paper, setting forth that the Postmaster at Hillsboro, North Carolina, has been fined \$2.00 for refusing to receive mutilated currency in payment for postage stamps, and says that since the appearance of this article in print his office has been flooded with mutilated currency, and he desires to know whether he is compelled to take or may refuse the money so presented.

Treasurer Spilner replies, stating that under the rules of the treasury department Postmasters are authorized to receive such currency for its full value in payment for postage stamps, even in cases of United States notes, when not more than one-tenth of the note is missing, and in cases of fractional currency when not more than one-tenth is missing. When such notes and fractional currency are mutilated beyond the standard referred to, no one is compelled to receive them for any part of their value, and the only place where such notes may be redeemed is at the United States Treasury.

OLD FELLOWSHIP.—The Fifty Second Anniversary of American Odd Fellowship was celebrated by the members of Dorchester Lodge, No. 19, I. O. O. F., on last Wednesday evening, the 26th, by meeting in their Hall, and listening to appropriate addresses upon the principles of the Order, which were delivered by Deputy Grand Master, Thos. N. Williams, and Past Grand Thomas H. Medford. The observance of the day, by the various Lodges throughout the country, was general, and reports show the Order to be in a most happy and prosperous condition.—Democrat & News.

THE REASON WHY.—The immediate cause of premature falling or blanching of the hair is an obstruction of the oil vessels which afford the coloring matter. The remote causes may be general ill health, trouble of mind, etc. Hence, in order to restore its natural color and beauty the oil vessels must be restored to their normal condition. It is on this principle that NATURE'S HAIR RESTORATIVE is compounded, and it has proved a complete success, wherever faithfully applied. It is not a poisonous dye, consequently the effect is gradual, and in severe cases two or three bottles are necessary to produce the desired result. See advertisement.
