THE PAIN KILLER

Is by universal consent allowed to have won for itself a reputation unsurpassed in the history of medical preparation. Its instantaneous effect in the entire eradica-tion and extinction of pain in all it-varied forms inci-dental to the human family, and the unsolicited written application, when used according to directions. The

ABOUT THIRTY YEARS,

And has found its way into almost every corner of the world; and wherever it is used the same opinion is expressed of its real medical properties.

In any attack where prompt action upon the system is required, the PAIN KILLER is invaluable. Its almost instantaneous effect in relieving pain is truly wonderful; and, when used according to directions, is true to its

A PAIN KILLER.

MILLIONS Bear Testimony to their Wonderful Curative Effects. They are not a vile Fancy Drink, Made of Poor Rum, Whiskey, Proof Spirits and Refuse Liquors doctored, spiced and sweetened to please the taste, called "Tonics," "Appetizers," "Restorers,"&c .. that lead the tippler on to drunkenness and ruin, but are a true Medicine, made from the Native Roots and Heros of California, free from all Alcoholic Stimulants. They are the GREAT BLOOD PURI-FIER and A LIFE GIVING PRINCIPLE, carrying off all poisonous matter and restoring theblood to a healthy condition. No person can take these Bitters according to directions and remain long unwell, poison or other means, and the vital organs wasted beyond the point of repair.

They are a Gentle Purgative as well as a Touic, possessing, also, the peculiar merit of acting as a powerful agent in relieving Congestion or Inflammation of the Liver, and al! the Visceral Organs. FOR FEMALE COMPLAINTS, in young or the turn of life, these Tonic Bitters have no equal For Inflammatory and Chronic Rheumatism and Cout, Dyspepsia or Indigestion Billous, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have been most necessful. Such Diseases are caused by Vitinted

Blood, which is generally produced by derangement of the Digestive Organs. DYSPEPSIA OR INDIGESTION, Bead-Chest, Dizziness, Sour Eructations of the Stomach, the Heart, Inflammation of the Lungs, Pain in the regions of the Ridneys, and a bundred other painful symptoms, are the offsprings of Dyspepsia-

FOR SKIN DISEASES, Eruptions, Tetter, Sait buncles, Ring-Worms, Scald Head, Sore Eyes, Erysipelas, Itch. Scurfs, Discolorations of the Skin. Humors and Diseases of the Skin, of whatever name or nature, are literally dug up and carried out of the system in a shoft

time by the use of these Bitters. One bottle in such cases will convince the most incredulous of their cura Cleanse the Vitiated Blood whenever you find its im purities bursting through the skin in Pimples, Eruptions or Sores; cleanse it when you find it obstructed and sluggish in the veins, cleanse it when it is foul and your feelings will tell you when. Keep the blood pure, and the health of the system will follow. Pin, Tape, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. Says a distinguished physiologic earth whose body is exempt from the presence of worms. It is not upon the healthy elements of the body that worms exist, but upon the diseased humors and slimy deposits that breed these living monsters of disease. No System of Medicine, no vermifuges, no anthelmintics will free the system from worms like these Bitters. J. WALKER Proprietor. R. H. McDONALD & CO.
