Now the bustle and excitement of the election is over and the smoke of the conflict is beginning to clear away...

These results on the whole are unfavorable to the Democratic party and consequently to the country...

But the principal cause for rejoicing we Marylanders have, is the happy result in our own State...

In Dorset especially we all take a just pride. Five thousand dollars were levied here to carry our people...

They had on their ticket dissatisfied Democrats who thro' the whole weight of their influence in their favor...

THE MARYLAND FARMER.—The November number is at hand...

MR. EDITOR:—The Election is over and we have abundant reason to rejoice over the result.

The radicals are sorely beaten and dismayed, their very organization imperiled. Certain of them more interested in the success of their party than the "rank and file" excited our compassion by the woe-begone expression of their contentances.

It is to be hoped that the corporation will suffer no detriment from the continued exclusion of the highly capable and public spirited gentlemen alluded to.

PETERSON'S MAGAZINE for December is on our table in advance. It is a splendid number, with two steel engravings, one of which, "Badful Boots," is alone worth the price of the number.

THE MORMON CRISIS.—This crisis, which has been hanging, for such a long time, as a black cloud over the political horizon of the United States...
