HOOPING COUGH, This discovery is of the first magnitude, as it affords immediate relief, checks the progress, and in a short time entirely removes the most cruel disorders to which children are liable—the Elixis is so persectly agreeable, and the dose so small that no difficulty arises in taking it.

Mr. Charles Myers, Hampflead Hill, near Baltimore, had been a long time dangeroufly indisposed, and was reduced to the lowest frate of weakness, infomuch that his recovery appeared doubtful. His complaints, which seemed to be affections of the breaft and lungs, and general debility occasioned thereby, yielded little, but rather progressed under the treatment of several eminent physicians; when by the use of Hamilton's Elixir, his distressing cough was immediately alleviated, and every other symptom rapidly subdued. Four or five bottles entirely removed his complaints, and restored him to an excellent state of health and strength, which he has for upwards of two years past enjoyed without in-

From LUTHER MARTIN, Esquire, Ettorney-General of the State of Maryland. GENTLEMEN,

I comply with your request in stating my opinion of Hamilton's Elixir-It has been used in my family for two or three years past, with uniform success, whenever colds, coughs, or similar complaints have rendered medicine necessary-I have myself found it an excellent and agreeable remedy for a very painful and troublesome affection of the bread, accompanied with foreness and with obstructed and difficult breathing.

On these accounts I do not hesitate to recommend Hamiltou's Elixir, as a valuable medicine, and deserving public attention.

LUTHER MARTIN.

Mr. Abijah Henly, Bridge-Breet, Baltimore, was cured by one bottle of Hamilton's Elixir, of a very complicated diforder, occasioned by a fevere cold caught several months ago -He breathed with the greatest difficulty, and was often thrown into weakening fweats when he accompted to walt any distance, and his voice would frequently fail in fuch a degree that he could only arrempt to whilper; he has been nowards of fix weeks without a return of his complaints, and defires to give his public tellimony in favor of this invaluable medicine.

Mr. Elizabeth Jones, fouth Howard Areet, was greatly relieved of an afthmatic complaint of several years standing, by the sirst bottle of Hamilton's Elixir—and by the use of five hottles the has acquired a degree of ease and firewith to which she had been long a stranger.
