Valuable Property.

FOR SALE,

THE PLANTATION whereon I reside, containing about 33 1/2 acres of land, four and a half miles from the city of Baltimore, adjoining the lands of general S. Smith, Daniel Bowley, Richd. S. Thomas, and Robt. Walsh, esquires. On this land are erected, a comfortable Dwelling-House, a convenient stone Barn 33 feet in width and 75 feet long, a Still-House with 2 stills and a Spring-House, the lower part stone, the upper part brick, exclusive of several other tenements, and every other necessary out-house—good apple and peach Orchards, of excellent fruit—also, good Kitchen Gardens.—About half the land is clear, the other half is young thriving wood—a considerable quantity of meadow, a constant stream of water running through it. The upland is kind for all sorts of grain. This property is a healthy, handsome and pleasant situation.

ALSO,

That well-known, valuable FARM, called Grace's Quarter, situated in Middle-river Neck, at the conflux of Gunpowder river and Salt-Petre creek, by which two waters it is almost surrounded. It contains about 424 acres of arable wood and meadow land. For fertility of soil, this place is equalled by few. To point out the number of natural advantages attending it, would far exceed the bounds of an advertisement. There is on it a good comfortable House, almost new, with Kitchen, Negro Quarter, Spring-House, with necessary out-houses, and a large frame Barn (erected last summer) with stables, cow-houses, &c. underneath it—likewise, two apple-orchards, two peach ditto of the best of fruit, with cherry and plum-trees, and about 20 remarkably fine pear-trees, from the fruit of which alone considerable sums have been made. In fact, no place in the country can be better situated, either for the grazier or planter, for nearly the whole of the farm can be put into meadow, at a small expense. The fishery on this place, in the season, is extremely profitable; and the shores are lined with wild fowl of all kinds. It has the advantage of an elegant prospect of the river and adjacent country, and good water. The distance to Baltimore by land is sixteen miles, and by water four or five hours sail. These properties are objects well worthy the attention of any person or persons inclined to purchase landed estates so near the growing and flourishing city of Baltimore. It is unnecessary to add any thing further, as it is supposed those inclined to purchase will first view the premises. I will give a bargain of the above-mentioned property, if speedily application is made.

I likewise offer the following town-property for sale:

A Lot of Ground, fronting on Paca-street 49 feet, binding a 10 feet alley 140 feet, to a 20 feet alley. This lot may be divided into two good building lots.

A Lot opposite the new market, fronting on Louisiana-street 24 feet, and running in depth 60 feet to the before mentioned 10 feet alley.

A Lot fronting on Hanover-street 21 feet, running deep 150 feet to Live-pool-alley,—whereon is erected a brick house and stables, now in the tenure of Mrs. Elizabeth Guthrie.

A Warehouse on Bowly's wharf, 24 feet in front and 54 feet in depth, running to a dock, in tenure of Messrs. Joshua & George Ward.

A Lot of Ground, fronting on Fish-street 124 feet, and in a line with Holiday-street 46 feet, running to a canal whereon is erected a soap and candle manufactory (utensils all complete) now in the tenure of Mr. George Dop.

Whoever is inclined to purchase any of the above-mentioned property, is requested to call on me, or leave a line at my store, 30, north Gay-street, which will be attended to.

For Sale,

That valuable PLANTATION, Healthy Retreat, on Hunting-Ridge, 6 miles from Baltimore, containing 130 acres, the one half heavily timbered, with white and black oak, hickory, ash, poplar, walnut, mulberry, wild cherry, &c. the rest is under a good fence, part post and rail; 25 acres in movable timothy and clover, and as much more may be made. This land lies as level as could be wished for farming, and is adapted to all kinds of small grain, and none better for grafs—the crop therein prove the soil. There is an apple orchard of 300 trees, bearing of the best grafted fruit, also a peach orchard of the best kind, young pear trees of a good graft, also damson, quince and cherry trees. The buildings are, a two-story frame dwelling house, two rooms on the first floor and three rooms on the second floor, with an entry, good cellar, piazza and kitchen, wash-house, a neat yard and a good kitchen garden, a stone smoke-house, a good well of water, equal to any in the county, a stone dairy, with a good spring, hen-house, &c. a two-story barn, the lower story built of stone, the upper story oak frame, 66 by 24 feet, nearly finished for horses and cattle. Doctor Dastuge,

(Lately arrived in this place)
East-street, No. 3, near the public Library, OFFERS his services to those ladies and gentlemen who may have occasion to employ him: Having passed the best part of his time, since his study, at the principal schools in Montpellier and Paris, particularly in the Charity and Hotel Dieu Hospitals, he flatters himself he has acquired sufficient knowledge of physic and surgery to recommend him to the confidence of the inhabitants of this city.

The Doctor has a PREVENTIVE, that any person having suspicion of being infected, by application in the space of three days after connexion, he will engage to cure radically in a few days. Gentlemen, particularly, who by imprudence, may be under some disagreeable apprehension, should not hesitate a moment in making an early application, by which they will secure their health and peace of mind. Swellings and inflammations from fresh infections, either venereal, gout, rheumatism, or scorbatic, reduced in a short time, without cutting or pain.

The Doctor cures particularly the rheumatism and a certain disorder, without mercury, and in so short a time as will astonish the patient.

Numerous are the unhappy people, as well in the country as in this great city, who unfortunately labor under the above destructive disorders for months and years, suffer their constitutions to be entirely ruined, rather than to apply for proper assistance, and give themselves up for lost.

Let none of either sex despair, in the worst cases, and of ever so long standing; if curable, the doctor will engage to perform a complete cure in the space of six weeks or two months—the patient conforming to the doctor's directions.

Cleets and seminal weaknesses effectually cured. The doctor likewise makes artificial teeth, and trusses or bandages for all kinds of ruptures, and pieces proper to repair defects of the human body, some of which decency will not permit him to explain. The secret on his part was always sacred, as those who have had occasion have experienced.

He has had also great success in performing an operation on the teeth, which takes off the tartar, cleanses and makes them white in an easy manner, no ways painful, and without doing the least injury to the enamel; which operation, together with an opiate dentifrice and elixir he composes, cleanses and fastens the teeth, and is a perfect cure for the scurvy, which so frequently relaxes the gums.

Advice and attendance, gratis, to poor and distressed families: The Doctor will only request a certificate of their situations from the ministers of their respective parishes.

THIRTY DOLLARS REWARD.
RAN away from the subscriber, on Sunday morning, the 23d of June, an intended Servant Man named John Jacob Herman Gysinek, a native of Holland, who arrived from Bremen in October last, in the ship Weser, captain Tietjen. Said fellow took with him, out of my stable, my horse, saddle and bridle. He speaks the Hollana and German languages incorrectly, and very broken English. He is 26 years old; an apothecary by profession; about 5 feet 2 or 3 inches high, of a dark complexion; his hair black, but mixed with grey; he is a little bow-legged. Had on when he went away, a dark-colored cloth coat, with gilt buttons, yellow nankeen trousers, a half-worn black fur hat, &c. The horse he exchanged since he left Baltimore, near Berlin, in Adams county. Whoever apprehends said horse-thief, and secures him in Baltimore jail, shall receive the above reward, and all reasonable charges, paid by Baltimore, July 16. 2aw

The managers of this lottery flatter themselves, from the elevated and healthy situation chosen by the commissioners appointed for erecting the market-house, that it will be of the greatest utility and advantage to that part of the city, and to the country in general; and beg leave to recommend it as an object worthy of their encouragement.

As the above scheme offers every possible encouragement to adventurers, from the many valuable prizes it contains, and there being considerably less than two blanks to a prize, and all prizes payable in 60 days after the drawing of the lottery is completed, without any deduction, the managers entertain the greatest hopes of such a speedy sale of the tickets, as may enable them to commence drawing without loss of time.

Such prizes as shall not be demanded within six months after the drawing is finished, will be considered as relinquished for the benefit of the market-house.

For the satisfaction of the public, it may not be unnecessary to inform them, that the managers have given bond to the state of Maryland in the sum of 30,000 dollars for the due performance of the trust.

100 Dollars Reward.

RAN away from the subscriber, living at Grove Mount, near Richmond court-house, Richmond county, Virginia, about the 25th of December last, a negro man, a slave, named GEORGE JONES, (belonging to the estate of John Peck) about 5 feet, 6 or 7 inches high. He generally smiles when spoken to. The clothes that he took with him not recollected, but such as are usually worn by plantation negroes. It is supposed that he has procured a free pass from one of the emancipated negroes of the late Robert Carter, esq. and passes by the name of *W. H. Gumbly*, or perhaps may have had the art to have had the pass altered, and at present assumes some other name.

The above reward will be paid if taken and secured in any jail, out of the state of Virginia, that I may get him again; if taken and secured in the state of Virginia, a reward of Forty Dollars, and all reasonable charges if brought home.

Caroline Mills for Sale.

WILL be sold at public sale on the premises, on the 2d day of the 9th month, (September) next, a merchant and country mill, with 170 acres of land, on which are sufficient houses for the accommodation of millers and others; situate on the river Rappahannock, about two miles below the town of Port Royal, on a stream of water sufficient for three water wheels and four pair of stones, at almost all seasons of the year; is in the best wheat country perhaps in the state, where no competition can be dreaded and is on tide water. The merchant mill has two overshot water wheels and three pair of five feet Burr stones, with every apparatus for manufacturing flour to the best advantage, is capable of making ten thousand barrels of flour annually.

The country mill is nearly adjoining the other, has one overshot water wheel, and one pair of five feet Burr stones, is surrounded by wealthy farmers, who have large families and it is known that the profits arising from this country mill alone will more than pay the interest of the money which the whole is supposed to be worth: in short this whole property is thought by judges to be the most valuable of the kind in the state of Virginia, and is sold in consequence of the death of Aquila Jenney, to enable the subscriber to close the concerns of the late partnership of Aquila and Elisha Janney.

Terms of sale will be one fourth in cash, or an approved negotiable note at sixty days; the balance in three equal payments, at six, nine and twelve months; bearing interest from the day of sale, and to be secured in such manner as may be determined on and made known at the time and place of sale.
