Valuable Property.

FOR SALE, THE PLANTATION whereon I reside, containing about 3312 acres of land, four and a half miles from the city of Baltimore, adjoining the lands of general S. Smith, Daniel Bowley, Richd. S. Thomas, and Robt. Walsh, esquires. On this land are erected, a comfortable Dwelling-House, a convenient stone Barn 33 feet in width and 75 feet long, a Still-House with 2 stills and a Spring-House, the lower part stone, the upper part brick, exclusive of several other tenements, and every other necessary outhouse-good apple and peach Orchards, of excellent fruit-also, good kitchen Gardens .--About half the land is clear, the other half is young thriving wood—a considerable quantity of meadow, a constant stream of water running through it. The upland is kind for all sorts of grain. This property is a healthy, handsome and pleasant situation.

That well-known, valuable FARM, called Grace's Quarter, situated in Middle-river Neck, at the conflux of Gunpowder river and Salt-Petre creek, by which two waters it is almost surrounded. It contains about 424 acres of arable wood and meadow land. For fertility of soil, this place is equalled by few. To point out the number of natural advantages attending it, would far exceed the bounds of an advertisement. There is on it a good comfortable House, almost new, with Kitchen, Negro Quarter, Spring-House, with necessary out-houses, and a large frame Barn (erected last summer) with stables, cow-houses, &c. underneath it-likewise, two apple-orchards, two peach ditto of the best of fruit, with cherry and plumb-trees, and about 20 remarkably fine pear-trees, from the fruit of which alone considerable sums have been made. In fact, no place in the country can be better situated, either for the grazier or planter, for nearly the whole of the farm can be put into meadow, at a small expence. The fishery on this place, in the season, is extremely profitable; and the shores are lined with wild fowl of all kinds. It has the advantage of an elegant prospect of the river and adjacent country, and good water. The distance to Baltimore by land is sixteen miles, and by water four or five hours sail. These properties are objects well worthy the attention of any person or persons inclined to purchase landed estates so near the growing and flourishing city of Baltimore. It is unnecessary to add any thing further, as it is supposed those inclined to purchase will first view the premises. I will give a bargain of the above-mentioned property, if speedy application is made.

I likewise offer the following town-property for

A Lot of Ground, fronting on Paca-street 49 feet, binding a 10 feet alley 140 feet, to a 20 feet alley. This lot may be divided into

A Lot opposite the new market, fronting on Louisiana-street 24 feet, and running in depth 60 feet to the before-mentioned 10 feet

A Warehouse on Bowly's wharf, 24 feet in front and 54 feet in depth, running to a dock, in tenure of Messrs. Joshua & George. Ward. A Lot of Ground, fronting on Fish-street 124 feet, and in a line with Holliday-street 46 feet, running to a canal whereon is erected a soap and candle manufactory (utensils all complete) now in the tenure of Mr. George Dop.
