FALL GOODS.

Bolton Jackson and Co.
Market-street, opposite the Columbian Inn,
Have received by the different arrivals from
Liverpool, and the Perseverance, from Lon-
don,
A very general assortment of DRY GOODS ;
Amongst which are a variety of packages
suitable for the W. India market. A considerable
portion of them having been purchased for
bills at short dates, it is presumed they will be
found, on inspection, as low as any offered for
sale at this market.
N. B. A few cases Black India Lutestrings
and Senhams will be sold cheap.
Sept. 19. d

To be Rented,
THAT long established, and perhaps the
best STAND for an extensive ready-money
business in Baltimore, the corner of Market-
street and Market-Space. The building has
been occupied for some time as two distinct
stores, but a tenant would be preferred who
would occupy the whole for one store, for
which it is calculated with the dwelling, I
will also dispose of at public vendue in a few
days, of which due notice will be given, my
whole stock in trade. The goods have been
carefully selected, are well calculated for the
stand—and nothing but delicate state of health
would induce me to decline so profitable a
business.
JAMES STIRLING. d
September 27.

One Thousand Dollars
REWARD.
ON Saturday evening, between dark and
ten o'clock, the Office of Discount and Depos-
it, established in this city, was forcibly open-
ed by thieves, and a Sum of Money in paper
and specie, chiefly small change, contained in
a small wrought-iron chest, was stolen there-
from. The villains who perpetrated this daring
robbery, were not able to succeed, altho' they
made the most violent attempts to penetrate the
vaults: all they effected was to bear off the
iron chest above mentioned, and its contents.
Among other bank notes therein, was a parcel
of old defaced notes, two of which were for
500 Dollars each, of this office; the indorse-
ments on them entirely filled their backs. The
said notes are generally much defaced, ragged,
and scarcely fit for circulation.—About the
hour this act was committed, a person was
seen with an iron chest in a wheel-barrow,
passing over Griffith's bridge. There is no
doubt but several villains were engaged in
this atrocious robbery. The above reward
will be given to any person or persons who
will detect and bring them to conviction: and
should one of the accomplices engaged there-
in make a discovery, so that the rest be con-
fected of the fact, he shall receive the above
reward, and interest made with the govern-
or of this state to obtain for him a full and free
ardon.
