February 10. Valuable Property for Sale. THE subscriber being desirous of procur ing some good lands in the south-western country, and to enable him to do so, offers the

following property for sale, viz. A TRAC1 of LAND, situate in the county of Fairfax and state of Virgina, whereon I now reside, containing up wards of 2100 acres. This land is well adapted to farming, is level, well watered and timbered, full one half be-ing in wood, near the centre of which stands the county court house and other public build-ings which are included within the bounds of a town lately laid out at this place, au th rise by an act of the general assembly of Varginia, on several of which lots buildings have been erected, &c. On one acre thereof, 50 near the court-house, is a large two story brick House, rented and occupied as a tayer work toge-ther with large stables, kitchen, and house for the retirement of a family, &c. Perhaps there is no situation between the eastern and west-19 45 19 ern waters more public, or that affords better stands for taverns, stores, nicchanics, &c. par-ticularly to an inn-keeper, calculated to act on 13 a large scale. The Little River turnpike paved road, leading from Alexandria to the westward, passes immediately at this place, 59 as also the main pub ic and post roads leading to and from Alexandria, Georgetown, the city of Washington, Baltimore, and the Western country-distance from Alexandria 14, and from the city of Washington 15 or 10 miles. To accommodate a purchaser or purchasers, I would dispose of the property at this place, 62 14 or any part thereof, separate from the other lands. The annual rent of the small part now improved, is near eight hundred collars, and at little additional expense would produce 11 23 from one thousand dollars to twelve hundred dollars per annum, exclusive of lots that might be sold or rented on ground-rent; and I would divide the land in two or three parts to suit purchasers On that part occupied by a yself, are a comfortable dwelling house, sufficient for the accommodation of a large family, with 32 barn, stables, and other convenient out-houses, 54 orchards, &c As it is presumed a person dis-posed to purchase would first view the premi 41 45 ses, a further description is thought unne. 83 cessary. A small piece of Land within one and a half 23 27 miles of the court-house, situate on Accotink Run, containing 19 acres, mostly rich and valu-able grass land, which affords a tolerable mill seat, and was purchased with a view of crect-47 19 42 ing one thereon, the timber for which (of excellent quality) hath been cut and squared. A Lot m the town of Alexandria, with a two 23 story brick house, kitchen and stable thereon, 20 situate near the centre thereof; and About 1600 acres of Land, situate on the 67 waters of Licking, in the county of Bourbon, and state of Kentucky. This land is classed as second rate, is rich, lies well, and by judges of that country said to be worth from five dol-lars to eight dollars per acre, and on which 23 33 91 are several small settlements. For the property in Fairfax and Alexandria, indisputable titles will be made; the title to 52 3 45 the Kentucky land is thought to be good, an investigation on that subject having latelytaken place, and is patented in my own name. No-32 42 thing short of a strong desire to provide for a large and growing family, should induce me to offer this property or sale. My terms will be such as cannot fail to accommodate a purchaser, 1 26 as but a small portion will be required in hand, and on securing the balances satisfac orily, to meet arrangements which in such cases 1 wish to make, lengthy credits will be giver . I would 61 receive in part payment good lands in the state 80 of Tennessee, not more than thirty miles from 74 Nashville, or the waters o. Dock-River. in said 66 state ; but the title thereto must be well established and secured.
