The stockholders are informed that, in con-
formity with the charter, an election will take
place at the Banking House, on Monday the
6th day of June next, between the hours of
9 A. M. and 3 P. M. for thirteen directors
to manage the affairs of the Institution for 12
months next ensuing thereafter, eight of whom
at least must be practical Mechanics, or
Manufacturers agreeably to the following de-
finition of the Law:

"No person shall be considered as coming
within the description of Practical Mechanic,
or Manufacturer, unless he hath learned and
actually wrought at some Mechanical or Man-
ufacturing trade for the term of three years
at least, and for twelve months next prece-
ding his election, hath been carrying on some
Mechanical, or Manufacturing branch of business
either in his own person or with his own funds
or by workmen, or apprentices, by him hired or
employed."

By the Charter one fifth of the present
board of Directors are rendered ineligible at
the ensuing election.

Four Brick Houses to Rent.

ONE a handsome three-story House, the
corner of Charles and Barre-streets, suitable
for a large family, at a moderate rent; one
other a two-story House, with four rooms on
a floor; both these houses have convenient
back buildings, and possession may be had
immediately; the other two houses are en-
tirely new, well finished, moderate rents, and
suited to small families.

Also to rent, for ninety-nine years, renew-
able, four Lots on Light-street extended on
the water, opposite the centre of the Basin;
each lot containing 26 feet front and running
80 feet deep, to a 20 foot alley, with privilege
of buying out in fee.

Also for sale or to rent, for 99 years, renew-
able, one, two or three squares (or more, if
wanted) of water Lots on the south side of
the Basin lying from opposite Ellicott's wharf,
down the edge of the Basin eastward, to
amount of two thousand feet. It is needless
to say any thing in praise of these water situ-
ations for any business that requires naviga-
tion; more than that, an inheritance of pure
health, and the best drinking water in the
world is attached to it.

And for sale, a Plantation, containing be-
tween 4 and 500 acres, one half of which is
heavily timbered, lying within 12 miles of
this city, and convenient to good navigation;
there is no standing or stagnant water or
marsh on this land; it is a fertile, productive
soil, and 100 acres of meadow may be made.
The timber would doubly pay what is asked
for the land. For terms of rent or sale, of
all or any part of the above property, apply
to
