GROSS FRAUD.

A system of fraud deeply affecting the public in the grossest manner, has just been detected Hospital. at Salina. The fraud, in one case consists of large quantities of salt having been shipped without the payment of duties, (marked and branded as usual with the inspector's name) by a corrupt connivance between the shippers and the then deputy inspectors-the deputies hav fall far short of forty thousand busbels!

LATEST FROM EUROPE. The packet ships Dover, from Liverpool, arof the 21st, and Liverpool of the 22d June, and the latter Havre papers of the 16th, fornish later advices from Europe. The principal articles of intelligence are, an advance in cotton and bread stuffs; increased indisposition of the King; and the successful landing of the French at Algiers. This was effected, as anticipated, in the Bay of

Silli Perrajh, nine miles west of the city. The annexed particulars are taken from the

The King was still living-but it was out of the compass of probability that his sufferings could be protracted for many days.

It is said, that on Wednesday last the Duke of Sussex received a letter from Sir Henry Halford, that the relief which the Royal patient had recently experienced was to be attributed to excessive expectoration .-- The expectoration, however, it was added, was accompanied by so violent a cough, that it was apprehended his Majesty's strength would speedily be exhausted.

of the latest news: LIVERPOOL, June 22d, 12 A. M.

The only thing which absords the public attention here is the distressing situation of the King. My private advices from Windsor direct, which are up to two o'clock on Monday morning, by express, state that each succeed. ing hour is expected to close the reign of our illustrions monarch: recovery is impossible.
