BETTER LUCK ANOTHER YEAR.

Jh! never sink 'neath Fortune's frown, But brave her with a shout of cheer. And front her fairly—face her down— She's only stern to those who fear! Here's "Better luck another year!" Another year!

Aye, better luck another year! We'll have her smile instead of sneer-A thousand smiles for every tear, With home made glad and goodly cheer, And better luck another year-Another year!

The damsel fortune still denies The plea that yet delights her ear; Tis but our manhood that she tries, She's coy to those who doubt and fear, She'll grant the suit another year! Another year!

Here's "Better luck another year!" She now denies the golden prize; But spite of frown and scorn and sneer, Be firm, and we will win and wear With home made glad and goodly cheer, In better luck another year. Another year!
