

that some times I can scarcely move them. according to the written and sworn affidavits I have sent down, or many of them. You have the list of them both Lord and men who were in the line of duty. These men swore to just what they saw & knew that were facts. You have the evidence of doctors who had ^{not} seen me before until they examined me and they swore to those facts. Also you have the evidence of the Doctors of John Hopkins Hospital. They all swore to those facts. Please to give this letter a deep and proper consideration. My present condition I am willing to swear to.
