NATURE OF CLAIM: *Wright*No. *188.913*Soldier: *Josiah Cornish*

It is desired in this case that the examination be made with special reference to—

alleged disabilities preventing manual labor. He alleges a G.S.W. of left arm and shoulder, also that he was crushed beneath the wheels of a cannon while dismounting it, injuring his breast, and "producing congestion and hemorrhage of the lungs."

Give a thorough examination, and full description, and rate each disability separately, stating all lesions, rational and physical symptoms.

The Surgeon will detach this slip from the "order" and return it with the certificate of the examination.
