Description:

This database is a compilation of burial records from a variety of sources and cemeteries. These records provide information on the burials of U.S. veterans and their dependents who were buried in the various Veterans Affairs (VA) National Cemeteries, state veterans cemeteries, or other military cemeteries. Because the information regarding the burials is compiled from multiple sources, the amount of information provided for each burial will vary. Some of the information you may find in this database includes: name of deceased, birth date, death date, interment date, burial location/site, cemetery name, cemetery address, relationship to veteran, veteran service dates, military rank, and military branch.
