Sir:

I return herewith a report and the papers in the case of Charlotte Johnson #38,960, widow of Isaac Johnson late Co. D. 7th U.S.C. Inf.

This claim was referred to this division for special examination to determine legal widowhood of claimant as indicated in slip dated Dec. 22, 1905.

The usual notice was served on the claimant who waives notice of any further special examination. I was not able to find any trace of claimant's sister Adalwells. Her name has not appeared in recent city directories.

I made a careful search of the marriage records of Baltimore City, Md. and failed to find any record between 1865 and Jan 7, 1875 date of soldier's marriage to claimant or the marriage of any person named
