DEPOSITION

Case of Nathan Johnson No. 564,793

On this 10 day of July, 1893, at

County of Washoe,
before me,

State of Nevada, a

Special Examiner of the Pension Office personally appeared Wesley Riley

who, being by me first duly sworn to answer truly all interrogatories propounded to him during this Special Examination of aforesaid pension claim, deposes and says:

my statement which you have read does not refresh my memory as to claimant's disability while in service. I recollect I think of his being a prisoner I think he was captured up about Deep Bottom some where I do not know anything of his being hurt or of his having any disability of any kind. I am no kin to claimant I have no interest in the claim - when he went to be treated I was just the doctor but I do not know what it was for. I do not recollect of his doing anything from duty but I suppose he did. I fully understood the questions and my answers are correctly recorded in this deposition.
