_____, who, being by me first duly sworn to answer
 truly all interrogatories propounded to him during this Special Examination of aforesaid

for the claimant in his claim
 afft of July 2nd 1891. Read

No sir. I cannot recollect of ever
 seeing Taylor rupture and I have
 made my afft. on what Jim,
 has told me. I can't now remember
 of ever seeing the rupture.

I can reaffirm the statements
 made in afft. dated Jan'y 11th
 1895. that is near the truth.

He had a spore in the arm that
 he complained of his privates
 and a few years after the war
 he complained that he
 was ruptured.

I can't say today that I know
 he had Rheum. in the arm.

He has been 2/3 disabled for work
 the last 10 years.

I can't say if he was disabled the
 last 10 yrs after the war.

No interest. No time. How understood
 your question of my answer on course
 records.
