to exposure,

Q Did your stomach continue to be affected all the time you were in the service.

If so, what were the symptoms,

A I was affected more or less with weakness of stomach after I went to Hospital as stated, sometimes I would feel pretty well, and then I would get so that when I ate anything I would throw it up, I could not retain my food on my stomach,

Q How soon after your enlistment did you have gravel or symptoms of gravel,

A I had a touch of the gravel about three months after I enlisted,

Q What duty did you perform while acting as orderly for Col Bowman,

A All I did while with Col Bowman, was to see that his clothes ^{were} properly cared for, attend to his letter stamps and liquors, and to Bank his money, I boarded at home,

Q What business did you follow for three years prior to enlistment,

A I drove private Carriage for Robert Barelle, Paruvian Guano Merchant, for seven years, he left Baltimore and went back to Paris, I then drove for Mr Alexander Brown, (private Carriage) for three or four months, I left here to enlist,

Q Who was your family physician before you enlisted

A Dr Orrick (since dead) attended my family, but I had no Doctor personally before I enlisted

Q Who is well acquainted with the condition of your health before enlistment

A Samuel T. Fisher, Samuel Hall, and Levi Fredericks knew me well before I enlisted,

Q What has been your physical condition from date of discharge to present time,

A I had a kind of aching cramp or misery in my stomach when I was discharged, and that has continued at intervals ever since, some days I feel right smart, and other days I don't feel well,

Q Have you had any Medical treatment since your discharge from the U.S. Army, if so, who treated you and when,

A I have had no treatment since discharge except for an abscess in stomach about eight, ^{or} nine years ago, by young Dr Gardner, he lanced the abscess, he attended me for about two months,

Q What business have you followed since discharge,

A The first work I did after discharge commenced about two months after discharge, I then went to work in Arthur Mann's livery stable at Gardening horses and cleaning harness, I continued with Arthur Mann about six months, I then went to driving private Carriage for
