And I further certify that I have examined the Family Bible produced by the Affiant John M. Carter. It was published by Mathew Carey, No. 122. Market street, Philadelphia, in 1808.

The following is a true copy of the record referred to:
 "Black Man's first son Phill Henson was born in the year of our Lord 1825 December 10th
 James her second son was born in the year of our Lord 1829 April 5th 1829"

The hand writing is clear and distinct, the record bears no marks of erasure or alteration and from the appearance of the writing I believe the entries were made about the dates given.
