

After he went away and left her, she married John Henry Gibson, an old soldier in about 7 or 8 years -

I don't know much about this marriage as I was not present. I don't know the Minister's name, but I know they were married by a License and a Pracher as I carried them to Easton Md. the night they were married and home again. I think I saw the Ceremony. I know they lived together as man & wife up to Gibson's death. I can't give the date but think it was about 6 years ago. I don't know what was the cause of his death.

She was never married before she married Bates. I don't know if Bates was a married man or not but heard he was. Gibson had been married before but his wife was dead before he married Fanny as I was at her funeral.

Thomas Talbot is sailing but he did not come from Va. with Bates. They could be 4 or 5 years apart. They seem to be well acquainted with each other.
