

I was not a witness to the marriage of John Henry Gibson and Fanny Bates. I used to visit them after they were married.

I have heard that Henry Bates had another wife living when he married Fanny, but I don't know any more about that than what my husband has told you. I don't know when Elyza Carter is:

I always heard Gibson called John Henry. That is what his master Lloyd used to call him.

Fanny Gibson has not married any one. She had no means of support - only what she worked for since John Henry Gibson's death. I reckon he has been dead 3 or 4 or 5 years.

Fanny is my sister-in-law but I have no interest in her claim. I have heard this deposition and my answers are exactly as given.
