Madam:

Relative to your claim for reimbursement in the case of John T. Anderson, Inv. Cert. 610,155 you are advised that you should furnish itemized bills for undertaking, livery and cemetery charges. Each bill must include the pensioner's name and a statement over the creditor's signature, showing by whom paid, or if unpaid that you are held responsible for payment.

The enclosed certificate should be signed by Dr. Geo. C. Shannon and Theodric Smith and returned to this bureau.

Very respectfully,

Commissioner.
