Page 11 to 13.

Affiant has known claimant from childhood and knew the soldier from discharge and saw them at times.

of Baltimore. Md, aged 63 and a Launderess
 Maria Prout - Dep. B - testifies to the marriage of claimant to deceased soldier, celibacy of claimant prior to said marriage and that she, the claimant, has not remarried since his death. No children. Unable to state year of marriage. Reputation for truth good

Unbiased. Claimant present of Baltimore. Md, aged 36 and a Barber

Page 14 to 16. Affiant knew the soldier from prior to the war and saw him at times.

George L. Brown - Dep. C testifies to disease of lungs from discharge up to the time he was confined to his home and that soldier appeared healthy prior to confinement, during last illness. Reputation for truth good Unbiased.

Page 18 to 20. Affiant saw the soldier often in the service and once in while after his discharge.

of Baltimore. Md. aged 40 and a Barber
 James H. Perkins - Dep. E - Com Supt. testifies to wound in service of Sept 29/64 when deceased soldier was wounded, and existence of disease of lungs on his return to his command from hospital. Reputation for truth good Unbiased.

Page 22 to 24

of Baltimore. Md, aged 55
 Dr John F. Brown - Dep. G - testifies to treatment for disease of lungs from about the time of dead soldier's discharge and off and on up to his death. His death was caused by disease of lungs, is positive the death of soldier occurred in August and thinks that it was in the year 1871. Testifies to claimant's celibacy prior to her marriage to dead soldier and that she has not remarried since his death. No children. Reputation for standing is fair among a certain class of colored people but it should be reported as poor. Reputation for truth good
