health called in question  
at all that I'm aware of

Q Did you ever know him  
to be sick or under the  
care of a doctor?

A No sir not to my recollection  
my impression is that he was  
healthy — he (Lewis) had 3 men  
working for him and the  
general remark was that  
they were as able bodied  
as could be found and  
as fine looking

Q Do you remember when  
he left here

A No I do not sir

Q Do you remember seeing  
him at any time after the war

A No sir I don't think I have

Q Was he married or single  
I think he was single when  
I knew him

Q Did you ever noted any  
signs of consumption —  
such as cough, hemoptysis  
or weakness

A None whatever that I recollect  
of

Q Did you hear that he  
was married after he left here

A No sir I have no recollection  
of that at all

Q Have you any interest in  
this case

A None whatever
