

I have heard from the Special Examiner what the claimant alleges. I have no recollection of Gibson Contracting, or suffering from a rupture while in the Army. I don't remember ever hearing him complain of a rupture at any time. I know what a rupture is. I am not related to Gibson. I have no interest in this claim. I have understood the Examiner's questions and my answers to same have been correctly recorded.

I have just seen the Spcl. Exr. take a deposition from a man who claimed to be Perry Johnson and a member of Co. "B" 7th U. S. C. T. There were two Perry Johnsons in that Co., but I cannot recognize the man now present as either of the men whom I knew as Perry Johnson.
