DEPOSITION *F.*Case of *Horace Gibson*, No. 536135.

On this *11th* day of *May*, 188*8*, at
Unionville, County of *Galbot*
 State of *MD*, before me, *Marion Smith*, a
 Special Examiner of the Pension Office, personally appeared

Jacob Sutton, who, being by me first duly sworn to answer
 truly all interrogatories propounded to him during this Special Examination of afore-
 said pension claim, deposes and says: *P. O. is Easton, Galbot*

Co, Md. - I am now forty two
years old. - I am a farm hand.
During the late war I served as
a private and Corporal in "Co. B 4th
Regt. U. S. G. I." The claimant in this
Case Horace Gibson, was a member of
this Company. We enlisted at the
same time. - I have known him all
my life. While the regiment was
at Benedict, Charles Co, Md. Shortly
after our enlistment, we were required
to build stockades for quarters for the
troops. These stockades were made
of pine trees which the soldiers had
to carry on their shoulders for some
distance. I was not present when
he was injured but the day after
the injury was received I heard
him say that he had been hurt
while he was carrying trees and
was able to do duty. He showed
me the injured parts and they
were very much swollen. I think
I saw them in about a week after
he complained of being injured.
I don't think I saw them again
during my term of service in the army.
