Hon Com^r of Pensions

Washington D.C.

Sir:

I have the honor to report that the above mentioned claim was referred to me by P. L. Cole Special Examiner, for the purpose of procuring evidence upon the question, if the pensioner is the identical person who did the service in the above indicated claim.

From the evidence herewith, I am satisfied the pensioner did the service claimed. It will also show, that he is one of many, who have appeared before us for identification, who have obtained money from Atty Col Vernon, pledging his pension certificate, as the only security he could give, to secure the loan, and to insure his pension check coming into the hands of said Col Vernon his mail has been sent to the house
