

4 of one of the trusted agents of Col Vernon and delivered to the pensioner at the office of Col Vernon.

A detailed report in a similar case, will be found with \$757.465 of John H. Thomas - which I wish considered as part of this report.

I recommend that payment be made for pension for quarter ending Dec 4, 1898 and that check be sent to 633 Sarah Ann St this city and not as directed on voucher 427 N. Tremont Ave, which is the house of one of the trusted agents of Col Vernon.
