Marginal entries must never be made.

N. B.—Always forward a certificate of examination whether a disability is found to exist or not. When sufficient space is not afforded for the necessary statements, an additional blank certificate should be attached and properly numbered. The backs of certificates must not be used for any purpose.

_____, Pres. _____, Sec'y. _____, Treas.

Each disability must be rated separately, the act of Congress of March 2, 1895, requiring that the report of such examinations shall specify the rating which, in their judgment, the applicant is entitled to.

The actual or probable origin of every existing disability must be fully set forth. Whenever disability is shown, or is believed to be due to or aggravated by vicious habits, the opinion of the board must be stated. When not due to such habits this fact must be stated.

Here give a full description of the disabilities, in accordance with Book of Instructions.

Here give the claimant's statement as briefly and as compactly as possible.

If a pensioner, all in the amount; if not, erase the whole line.

Cause of disability, viz:

We hereby certify that in compliance with the requirements of the law we have carefully examined this applicant, who states that he is suffering from the following disability, incurred

Insert character and number of claim. Original
Name and rank of claimant. Alexander R. Moore
Company B, 7th Regt. Mass Inf.
Claimant's post-office address. 723 Owen Court
_____, Rank, (Private)
_____, State, Bohannon, Md.
_____, 189 July 2nd, [Date of examination.]
Pension Claim No. 279,216

Attention is invited to the outlines of the human skeleton and figure upon the back of this certificate, and they should be used whenever it is possible to indicate precisely the location of a disease or injury, the entrance and exit of a missile, an amputation, etc. The absence of a member from a session of a board and the reason therefor, if known, and the name of the absentee, must be indorsed upon each certificate.

Deposaria - There are no objective symptoms of
Deposaria - No objective evidence of general
activity - no other disability is found to exist
No evidence of vicious habits.
